ABSTRACT

Twenty-two indexing and abstracting services and general reference sources in the areas of labor and industrial relations are listed in this selective bibliography for users of State University of New York at Albany Libraries. Classification numbers are included for each source and most have annotations. Materials are listed under four subdivisions: economics, labor and industrial relations, statistics, and labor law. (KP)

****
* Documents acquired by ERIC include many informal unpublished *
* materials not available from other sources. ERIC makes every effort *
* to obtain the best copy available. Nevertheless, items of marginal *
* reproducibility are often encountered and this affects the quality *
* of the microfiche and hardcopy reproductions ERIC makes available *
* via the ERIC Document Reproduction Service (EDRS). EDRS is not *
* responsible for the quality of the original document. Reproductions *
* supplied by EDRS are the best that can be made from the original. *
